## SMALL GROUP APPLICATION QUESTIONS

You can't live out your faith alone. You were never meant to. Let's commit to do it together.

### 1. REVIEW THE SERMON

If you had to give up one of your senses (sight, smell, taste, touch, or hearing), which would you choose? How would it change your life to be without this "body part"?

---

---

---

Read 1 Corinthians 12:12-27. How does the body illustration in this passage transfer to our interactions within the church?

---

---

---

The passage warns against any part of the body considering itself either less or more important than the others. How have you been tempted to think of yourself as either more or less important?

---

---

---

### 2. ASSESS YOUR LIFE

Why is it so easy for us to live life alone? What keeps you from intentional interaction with other people?

---

---

---

In what situations are you tempted to seek isolation and independence when instead you should be seeking community and interdependence? How can you grow your interdependence on other church members?

---

---

---

---

### 3. APPLY THE TRUTH

Since you are an important member of the body of Christ, what are you doing to help the body of Christ function more effectively? How is your participation in our body “indispensable” to our body? How is our church “indispensable” to you?

---

---

---

---

### 4. COMMIT THIS WEEK

What will you do this week to grow in community with the body of Christ?
