### 4. COMMIT THIS WEEK

Part of obeying God's Word is applying it to specific situations and relationships. What relationship in one of these areas have you responded to wrongly? ## 1. REVIEW THE SERMON

Read 1 Thessalonians 5:12-18. Paul's gives instructions concerning our horizontal relationships with spiritual leaders and fellow believers. How does he say we should respond to spiritual leaders and why? How does He say we should interact with other believers? What are some things that can keep us from obeying these instructions?

---

---

---

---

Paul also gives instructions concerning our vertical relationship with God. What does he tell us to do and why? If we fail to do these things what happens to us? If we fail to do these things what happens to God?
