April 15, 2018

Luke 10:25-37

I. Love is our _____ to God. – v. 25-28

II. There are no _____ for love. – v. 29-32

III. There are no _____ in love. – v. 33-35

Pastor Micah listed several love tools the Samaritan used in this story. Which tool do you use most and which one do you use least to show love? What relational problem do you have in your life right now that needs fixed and which love tool can you use to start working on it?

3. APPLY THE TRUTH

Under what condition would you refuse to love someone? What could someone do to you that would make you no longer love them? Based on your answer, what in your heart makes you believe that condition is unlovable?

4. COMMIT THIS WEEK

Jesus commands us to love others and says the world will know us by our love (John 13:34-35). What step will you take this week to show love where you failed to before?

SMALL GROUP APPLICATION QUESTIONS

Godly love is based on the condition of my heart, not the condition of other people.

1. REVIEW THE SERMON

Read Luke 10:25-37. Pastor Micah said if I fail at love, I fail. Fail at what? How does this relate to Jesus' answer to the lawyer's question about eternal life? How does v 27 relate to the Gospel?

How does each character in the story do at loving his neighbor and why? The lawyer asks the wrong question, but Jesus asks him the right question. What is the difference in these two questions and what does the difference teach us about loving others?

2. ASSESS YOUR LIFE

What are some things you often substitute (do instead) for love? Think about various situations/relationships – home, work, family, strangers, church, etc... Why do you turn to these actions rather than loving others?

IV. Love is about who _____, not who they are. – v. 36-37

**THE REAL _____ TO LOVE IS NOT
