# MIGHTY GOD: POWER TO RULE

DECEMBER 9, 2018

## SMALL GROUP APPLICATION QUESTIONS

Whose power are you living by — yours, or Gods?

### 1. REVIEW THE SERMON

Read Isaiah 9:6-7. What proof can you find in the Bible that our God is indeed a powerful and mighty God? How did Jesus show God's power and might in His life?

---

---

---

---

Pastor Micah compared 2 men who encountered the power of God in Jesus the Son — Herod and Paul. Compare and contrast their experiences and responses. Based on Jesus' teaching and their lives, what is the key factor to experiencing more of God's power in your life?

---

---

---

### 2. ASSESS YOUR LIFE

Jesus manifested God's power in the real lives of real people. Do you believe He still does this today? Why or Why not? Do you have any personal examples of experiencing God's power in your own life?

---

---

---

---

King Herod is a stark example of a man who wanted to live by his own power and refused to submit to God's power. Do you have any situations or areas of your life where you are living by your own power rather than God's power? They could be small or big, public or private, personal or relational, etc... Why is that situation/area a struggle for you?

---

---

---

---

### 3. APPLY THE TRUTH

God's power fills our life when we put our faith and hope in Jesus above all else. Where in your life do you need to experience more of God's power and how can you grow your faith in Him to be able to receive His power?

---

---

---

### 4. COMMIT THIS WEEK

Faith and Hope are spiritual muscles. The more you work them the stronger they grow. What will you do this week to help grow your faith and hope in Jesus?

---
