SMALL GROUP APPLICATION QUESTIONS

We are all on a journey with the Lord. It's not about how you start, but how you finish.

1. REVIEW THE SERMON

Read the main scripture passage(s) from the sermon. What is the main idea of this passage(s)? What is God trying to communicate to us in this passage(s)?

2. ASSESS YOUR LIFE

How does the main idea of Sunday's sermon relate to your life now or in the past? What does it reveal about your heart, mind and/or actions? What examples in your life positively or negatively relate to this idea?

3. APPLY THE TRUTH

Based on the sermon and this passage(s) of God's Word, what needs to change in your heart, mind or life? What part can you play in the change? What part does God need to play in the change?

4. COMMIT THIS WEEK

What can you do this week to better align your life with God's Word as discussed above? What spiritual action can you take (prayer, memorization, study, repent, worship, etc.)? What internal action can you take (believe a truth, feel an emotion, refute a lie, etc.)? What outward action can you take (stop something, start something, communicate with someone, etc.)?
