# JUDGE WISELY

March 10, 2019

## SMALL GROUP APPLICATION QUESTIONS

Jesus came to love, not condemn. He is calling us to do the same.

### 1. REVIEW THE SERMON

Read Matthew 7:1-6. Judging can have two different meanings in the Bible. What are the two meanings and which verses illustrate each one? What is Jesus forbidding in verse 1 and why?

---

---

---

---

According to Jesus, what can we do to help others who are in sin rather than condemn them? What is required of us to help in these ways and why is that often difficult for us?

---

---

---

### 2. ASSESS YOUR LIFE

Think about a time when someone condemned your sin versus a time when someone genuinely cared and helped you with your sin. What made the two experiences different (their approach, your heart, other circumstances, etc..)?

---

---

---

---

Who in your life right now have you condemned their sin with your words or thoughts? Maybe to them, maybe to others, or maybe just in your mind. Why is this unacceptable before Christ? What log do you need to remove to change your heart and approach toward this person's sin?

---

---

---

---

### 3. APPLY THE TRUTH

Who in your life needs your care, rather than condemnation, and how can you humbly care for them in their sin? Who needs love before they will be ready for your counsel?

---

---

---

---

### 4. COMMIT THIS WEEK

What steps will you take in your spiritual walk/life this week to help you better care, counsel and love others around you?
