# SEEK THE KING FOR LIFE

APRIL 21, 2019

## SMALL GROUP APPLICATION QUESTIONS

Jesus conquered death and rose to live again. Now He offers the same new life to you.

### 1. REVIEW THE SERMON

Read Matthew 28:1–10. Notice how much attention was given to Jesus even after His death by friends and enemies alike. Why was this and how does this still relate to us today?

---

---

---

---

What do the angel's presence and words reveal about Jesus? What is the purpose of rolling away the stone from the tomb and how does this impact us today?

---

---

---

---

### 2. ASSESS YOUR LIFE

If you are a believer, what questions or doubts did you have about Jesus before you were saved? If you are not yet a believer, what questions or doubts do you still have?

---

---

---

The resurrection of Jesus is the heart of Christian faith. Do you believe the resurrection story? Why or why not? What proofs can you give to validate or invalidate the resurrection? How does your view of the resurrection impact your view of Jesus?

---

---

---

---

### 3. APPLY THE TRUTH

If the resurrection is true, then Jesus clearly is God. But it also means He is a loving sacrificial savior who wants you to be free from sin and safe from hell. Are you seeking Him for new life (either to gain it or grow in it)? If not, what is keeping you from trusting in Him for new life? If so, how is this changing you as you experience new life?

---

---

---

---

### 4. COMMIT THIS WEEK

Jesus' life, death and resurrection are well documented facts of history. They cannot be ignored or dismissed. They demand acknowledgement and response. Therefore, how will you respond to Jesus this week? Will you put your faith in Him? If you already have, how will you live differently this week in response to Him?
