## SMALL GROUP APPLICATION QUESTIONS

Marriage doesn't have to be a black box – God has a plan and purpose for your marriage.

### 1. REVIEW THE SERMON

Read Ephesians 5:22-33. What does “become one flesh” really mean? What are some ways couples can build up or detract from oneness in a marriage?

---

---

---

Why is it important that God is the center of a marriage and how does this impact the ability of husbands and wives to fulfill their roles? What is the primary need for husbands? What is the primary need for wives? How are these needs connected to Christ?

---

---

---

---

Name and describe the three roles for wives and the three roles for husbands.

---

---

---

---

---

### 2. ASSESS YOUR LIFE

How many teams are there in your marriage? How are you doing at oneness and what are some areas you need to grow in oneness? How would your spouse answer? If you are single, how did oneness (or a lack thereof) in your home of origin impact your life

---

---

---

---

What are some ways (people, places, titles, activities) you try to gain security or significance outside of your relationship with Christ? What does this reveal about your heart and the source of your identity? How does this impact your relationships?

---

---

---

---

### 3. APPLY THE TRUTH & COMMIT THIS WEEK

Spouses, in what ways are you coming up short in fulfilling your roles? What can you do this week to help correct that? Share this with the Lord and your spouse. If you are single, how can you help and encourage your married brothers and sisters to fulfill their roles well? How do the roles help you better understand your relationship with Jesus
