### 3. APPLY THE TRUTH

God often sends us into situations that can be unwanted, uncomfortable, or seem unending. But He always has a plan and purpose for those situations and we can trust Him in the midst of them. What hard situation or relationship does God have you in right now and what step can you take to trust and glorify Him in it?

## SMALL GROUP APPLICATION QUESTIONS

Everyday missionaries trust the Lord and His ways to accomplish His mission.

### 1. REVIEW THE SERMON

Read Acts 8:26-40. What details about Philip's situation could have made him doubt God? What two important attributes for mission did Stephen have because of his trust in the Lord? How did God confirm and strengthen these attributes in Stephen through this event in his life?

---

---

---

What were the results of Stephen walking in firm faith and trust with the Lord? What impact could it have had on God's mission and the church if Stephen lacked faith to follow God in this way?

---

---

---

### 2. ASSESS YOUR LIFE

How often do you find yourself arguing with the Holy Spirit? What keeps you from immediate faith-filled obedience to the Spirit? When is a specific time you have trusted and obeyed the Spirit and what was the result?
