

What has God clearly called you to in the past that you can pursue while you wait on His plan? What has He clearly called you to as a family member? As a church member? As a community member? As a Christian?

What opportunities is God opening around you? With family and friends? With neighbors and your community? With our church family?

3. APPLY THE TRUTH & COMMIT THIS WEEK

God's plans are often much different than our own, but even when it looks like a mess to us He is weaving a beautiful tapestry. What do you need to do in this current season to trust Jesus and His plans more than your own? What do you need to release and what do you need to step into more?

SMALL GROUP APPLICATION QUESTIONS

1. REVIEW THE SERMON

Read Acts 16:6-15. This was probably a new and confusing experience for Paul. How did He respond to God in this story and what was the result? What can we learn from Paul's response?

2. ASSESS YOUR LIFE

How has God recently interrupted your plans? Review the 2 lists Pastor Micah gave on what blocks us from hearing God and what helps us discern His voice. What steps can you take to better hear and discern God's plan in this area of your life?
