

We all desire to worship God rightly and in the way He desires. What are some practical steps you need to take to grow in each of the three points of worship in the passage specifically as it relates to racial injustice in our community?

Do Justice – Speak Truth to Power: _____

Love Kindness – Helping the Powerless: _____

Walk Humbly – Study, Listen, Lament, "Yeah But" Statements: _____

3. APPLY THE TRUTH

Challenging, ending and healing racial injustice is a massive task. It is often easy to get overwhelmed when we think about it and then get paralyzed in our response. The best way to help yourself move forward on this journey and honor the Lord in your pursuit is to simply identify the next step you need to take. What is that step for you, and what are you going to do to make sure you take it?

SMALL GROUP APPLICATION QUESTIONS

God cares about racial injustice and calls His people to care about it too.

1. STUDY THE SCRIPTURE

Read Micah 6:6-8. The person speaking in verses 6-7 and the prophet speaking in verse 8 have two very differing views on worship. What is the difference and how does this impact our view of following Jesus? What do the words justice and kindness mean in the context of these verses?

2. ASSESS YOUR LIFE

The prophet declares that to worship God requires 3 things. In your personal experience how has the church done in fulfilling each of these requirements? How have you done personally as a Christian? Try to give specific examples to support your analysis.

Do Justice: _____

Love Kindness: _____

Walk Humbly: _____
