

Jesus was and is a great example of an unafraid witness. He was sent to earth, proclaimed the truth, was willing to suffer even die for the mission and even now is leading His people and guaranteeing salvation for all who believe. How can His life, past and present, help you be a more unafraid witness for the Gospel? What does our fear of witnessing reveal about our view and understanding of Jesus?

### 3. APPLY THE TRUTH

Paul's final application and exhortation in this passage is to proclaim the Gospel as we are sent out to reach the lost. We want to live as sent people who are spreading the Gospel to all who will listen, but so often we stop short of actually proclaiming the Gospel to people. When was the last time you proclaimed the Gospel to someone? What can you do to better prepare yourself to live sent and proclaim the Gospel to others?
