1. STUDY THE SCRIPTURE

Read Colossians 1:9-14 and 2:6-9. What does it mean to walk worthy of the Lord? What do we need from God to be able to walk worthy? What does it look like to be taught by Christ and how does this relate to walking worthy of Him?

2. ASSESS YOUR LIFE

How can you prepare yourself to receive God's knowledge and power in your life? How have you seen His knowledge and/or power transform your life since you started following Jesus? What is currently blocking you from walking more worthy of Christ in your life?

Assess your current walk with God in each of the three following areas. What evidence or lack thereof do you see of each in your life? What can you change in your daily walk to help you grow in each of these areas?
