SMALL GROUP APPLICATION QUESTIONS

1. STUDY THE SCRIPTURE

Read Hebrews 12:1-3. What does this passage tell us is necessary for us to run the race of faith with endurance? How does Jesus help us in this task? How can we help each other in this task?

2. ASSESS YOUR LIFE

Who is the great cloud of witnesses and how do they help us run with endurance? Who are modern examples of “witnesses” in your Christian life and walk? How have they helped you run with endurance? Who are you a “witness” to in their walk?

When has the weight of sin in your life hindered you from walking with Jesus and how did you address it? How can Small Group help you continually lay aside sin so you can run with endurance? What is necessary for such help to be effective? Do you currently have any weight of sin you need to lay aside so you can better follow Jesus?
