SMALL GROUP APPLICATION QUESTIONS

What spiritual leaders has God placed in my life and how am I _____ to kindle my faith?

III. God gives me the _____ to fan my flame into an inferno of faith. – v. 6-7

What _____ am I taking with the Spirit to fan the flame of my faith?

1. STUDY THE SCRIPTURE

Read Timothy 1:1-7. What is Paul's primary command to Timothy in this opening passage, and why does he focus so much on "remembering" prior to the command? Timothy was struggling with fear that was extinguishing his faith. What are some other things we might struggle with that can extinguish our faith? Why is it important that God has given us a spirit of power and how does this relate to our call to fan the flame?

2. ASSESS YOUR LIFE

What spiritual heritage has God used to spark your faith? (There could be more than one) How does remembering that heritage impact your view of God and your faith in Christ? What opportunities is God giving you to supply a spiritual heritage for others?
