## SMALL GROUP APPLICATION QUESTIONS

### 1. STUDY THE SCRIPTURE

Read 2 Timothy 2:1-7. Why do you think Paul chooses military imagery to make his point in this passage? Where else in the NT do we see military imagery used and how do those passages relate to this one? Describe the model of discipleship that Paul lays out in this passage. How does it compare to our discipleship model at Harvest?

### 2. ASSESS YOUR LIFE

How did your experience with God’s grace through salvation prepare you for His mission? Who were/are the faithful men or women who have taught and disciplined you in God’s Word? Who have you taught or disciplined as a result of your discipleship? What is keeping you from becoming a faithful man or woman who can help pass the Gospel teaching on to the next generation of disciples?
