2 Timothy 3:1-4

1. STUDY THE SCRIPTURE

Read 2 Timothy 3:1-4. How are loving self and loving God directly opposed to one another? What other scripture can you use to support your ideas? Where have you seen love of self and love of God clash in our culture? Read John 15:13 and 1 John 3:16. How did Jesus model love in His life, and what does this say about self-love?

In what ways are you prone to love yourself more than you love God? How does this affect your life – personal, relational, spiritual, emotional, etc...? In what ways are you regularly loving God more than yourself and what impact does this have on your life?

3. APPLY THE TRUTH

We are all recovering lovers of self. What one or two traits from Paul’s list best describe the ways you still revert to loving yourself and what steps can you take to become a lover of God in those areas?
