### 3. APPLY THE TRUTH

Who have you been waiting to share the Gospel with (or scared to share the Gospel with) that needs to hear it now? What steps will you take to preach the Word to them?

---

---

---

---

Are there any areas of your life that you have itching ears or have wandered into myths because of your own passions? What kind of preaching are you receiving and what kind of preaching are you expressing?

### 2. ASSESS YOUR LIFE

What do you think of when you hear Paul's command to preach the Word? How does this scripture apply to you? What message are people most hearing from you on a regular basis? What things do you sometimes preach instead of the Word?
