

Paul was always looking to make the most of his time on earth for the Lord and His kingdom. Are you making the most of your time for the Lord? If so, how? If not, what needs to change? How can we make the most of our time for the Lord without falling into excessive busyness and violating the Bible's commands to sabbath?

Paul trusted the Lord with his life and his death as he looked forward to eternity. In what areas of your life do you need to better trust the Lord right now? What character trait of God assures you can trust Him with that area of your life? How would you pray differently if your trust in God focused beyond worldly circumstances to eternal life with Him?

## SMALL GROUP APPLICATION QUESTIONS

### 1. STUDY THE SCRIPTURE

Read 2 Timothy 4:9-22. What do these final verses reveal about Paul's heart in his final days? What is he thinking and feeling as his time winds down? How would you feel if you were Timothy reading these words? How would they impact you?

---

---

---

---

---

### 2. ASSESS YOUR LIFE

Relationships can bring some of the highest and lowest points in ministry. How close are you to your family of faith? Should this change based on Matthew 12:46-50? When have you experienced the loss of a relationship in ministry or church and how did it impact you? How can Paul's example help you better enjoy and invest in ministry or church relationships in the future?
