

Which principles are you already incorporating into your prayer life and how can you incorporate the others to experience more life-giving prayer?

---

---

---

Read Matthew 6:9-13. Review the 4/4 Pattern Pastor Micah laid out based on the Model Prayer. What questions do you still have about this pattern of prayer as related to seeing it in the Scripture and using it in your prayer life? What hesitations do you have about using it? What potential benefits do you see from using it?

### 3. APPLY THE TRUTH

Now try to implement the 4/4 pattern of prayer yourself using Psalm 138. Read the Psalm and try to write down some prayer prompts for each of the four categories (Reverence, Response, Requests, Readiness). It's ok if you are unsure, just give it a try. You can use the samples you received on Sunday to help guide you. Then share some of your prompts as a group and, if time allows, pray through the passage together using some of your prompts. There are no set answers/prompts, so work together and let the Spirit lead you.
