SMALL GROUP APPLICATION QUESTIONS

1. STUDY THE WORD

Read back through all the Scriptures listed in the sermon notes. How do they illustrate the principle that we don't achieve ministry, but rather we receive ministry through prayer? Can you think of other scriptural examples of this principle? How does this principle apply to your life in the past, present or future?

2. SHARE YOUR STORY

What did you pray about over our 40 Days of Transforming Prayer and how did you see God answer? Write down your story and share it with your small group. Take time to praise God together for answered prayer and pray over those still awaiting answers.
