

What is your reaction to Paul's command to share all good things with the one who teaches? Why and how does that reaction relate to the abuses Pastor Micah discussed, if at all?

Look at the harvest you are reaping in your spiritual life right now. What does that harvest reveal about what you have been sowing? How do you need to adjust your sowing to reap a better harvest from the Lord?

Are you weary of doing good? If so, why and what is the answer to your weariness? How can we do good to one another in our small group? In our church family?

3. APPLY THE TRUTH

Are you sowing seeds in your life that are helping produce a Gospel community at Harvest? If so, how? If not, what do you need to change?

1. STUDY THE WORD

Read Galatians 5:25-6:10. List the 5 marks of Gospel community in these verses and describe how each one is related to walking in the Spirit vs. walking in the flesh?

2. ASSESS YOUR LIFE

When have you been involved in the process of restoring someone caught in sin (you could have been the restorer or the one being restored)? How could Paul's instructions here have helped the process go better or smoother?

Are you naturally more apt to ask for help with a burden, want to give help to someone with a burden, or avoid people with burdens? Why and how can you grow in this area of Gospel community?
