Leprosy made you unclean and therefore separated you from God's worship and God's people. In what ways does sin separate us from God and others? How have you personally experienced the separation that comes from sin (from God or others)? What steps do you need to take to restore your relationship with God or someone else?

Jesus wasn't seeking fame. He was seeking faithfulness. So, He wasn't ready yet to reveal his identity to the world. However, that is no longer the case. Now, He wants us to tell everyone about the Gospel. When was the last time you told someone about the good news of Jesus? What prevents you from telling people more often? Pray and ask the Lord who you need to tell this week, and then ask Him to fill you with the power to do so. Write down their name as your own accountability.
