

Peter has a clear and pronounced moment of belief in Jesus here. What led him to believe at this point rather than when he had previously heard the Gospel? What led you to eventually believe in Jesus and embrace the Gospel? When was your moment of belief? Again, how does this encourage or discourage your heart in sharing the Gospel?

How would you explain the difference between knowing about Jesus and following Jesus? What is the evidence that someone is following Jesus rather than just acknowledging Jesus? Pastor Micah gave 5 steps to following Jesus from the story. How do you see the presence or absence of any of those steps in your spiritual life?

3. APPLY THE TRUTH

Where are you on the journey to follow Jesus? What is the next step you need to take to grow as a follower of Jesus?

SMALL GROUP APPLICATION QUESTIONS

1. STUDY THE WORD

Read Luke 5:1-11. With many other people present (including other future apostles) why do you think Simon Peter is the primary focus in this story? How does this story connect or relate to future events and happenings involving Peter? How does Peter function as a good example of the journey of following Jesus?

2. ASSESS YOUR LIFE

Luke continues to emphasize Jesus’s preaching of the Gospel. When did you first hear the Gospel? How many times did you hear the Gospel before you came to saving faith in Christ? Why do you think we often have to hear the Gospel multiple times before we come to receive and believe it? How does understanding this part of the spiritual journey encourage or discourage you in sharing the Gospel?
