

The herdsmen and people are afraid of Jesus and what it might cost to follow Him. What are the costs of following Jesus? How have you experienced these costs in your life? The pigs represent idols – things in our life we value more than God. Are you still holding on to any pigs in your heart and life? Anything you are afraid to give up for Jesus?

The marked change in the healed man's life is undeniable and clear evidence that he has been saved by Jesus. What change have you experienced since you trusted in Jesus that is evidence of your salvation? Are you marked by an obedience to Jesus? Are you declaring how much God has done for you? Why or why not?

### 3. APPLY THE TRUTH

Jesus came all the way across the sea to save just one man. That was enough. Who is the one person Jesus wants to save by sending you to tell them how much God has done for you? Write down their name and pray for boldness to tell them about Jesus.

# RESPONDING TO JESUS

## SMALL GROUP APPLICATION QUESTIONS

### 1. STUDY THE WORD

Read Luke 8:26-39. This is definitely one of the stranger stories of Jesus. What parts of the story might the world get hung up on, and why are those non-issues for believers? What questions does the story leave unanswered? Why do you think God included this story in the Bible?

---

---

---

---

---

### 2. ASSESS YOUR LIFE

This is one of the few and most in-depth interactions Jesus has with demons in the Bible. What does it teach us (and not teach us) about demons in relation to Jesus? Read John 8:44. How does sin make people like Satan and the demons? What is the difference between knowing and believing that Jesus is God, and trusting and following Him?
