In His instructions Jesus implies that some people will not receive the Gospel ministry of the 12. When have you experienced rejection while trying to fulfill the Gospel mission and how did it impact you? Shaking off the dust and walking away from those who reject the Gospel is not a common or popular idea in the church, but sometimes when we fail to do this, we make it about us instead of Jesus. Pastor Micah listed 3 ways we can make the mission about us. Which one do you tend to lean toward and why? How can you be more faithful to the mission by taking Jesus's teaching to heart?
