

Jesus's response to the situation in this passage is unlike any other we have seen from Him so far. Why do you think Jesus responded this way? What does His response teach us about Him? What does His response teach us about ourselves and faith?

Everyone is in awe of the miracle, so Jesus decides this is the right moment to drop some bad news on them. Why do you think the disciples didn't understand Jesus's saying, and were afraid to ask Him? Why do you think Jesus chose this moment to reiterate His coming passion? How does the Gospel assure me that I am delivered, and how can this help you live out your identity as one delivered from sin in your daily life?

3. APPLY THE TRUTH

What do you need to be delivered from today in your heart or life? Ask Jesus in faith and let Him deliver you.

SMALL GROUP APPLICATION QUESTIONS

1. STUDY THE WORD

Read Luke 9:37-45, Mark 9:14-32, Matthew 17:14-13. In this story there is plenty of frustration to go around. The boy, the father, the scribes, the disciples, and even Jesus. When have you been frustrated because you couldn't fix something on your own (physical or spiritual)? What was the hindrance and how did you respond?

2. ASSESS YOUR LIFE

Demon possession and the sinful nature that we all have are not the same thing, but they do have a lot of parallels. How has your experience with sin paralleled that of the boy in this passage? How has your experience with sin paralleled that of the father and his desperation?

III. Because only Jesus was delivered _____ . – v. 43-45

You can be delivered, just ask with _____ not fear.
