

In this passage we see three different types of “neighbors” – lip-service, selective, and merciful. Which type of neighbor are you most often and why? What evidence in your life backs up your response? Did the Holy Spirit reveal to you any ways you are being a lip-service or selective neighbor?

The big question this week is “Whose neighbor am I?” But to answer that we have to look for those to whom we are not being a neighbor. Did any of Micah’s 5 questions reveal someone you are failing to be a neighbor to? If so, which one and in what ways? How can you follow the example of Christ to love them as your neighbor?

3. APPLY THE TRUTH

Whose neighbor do you need to be this week? Pray for the Lord to show you and help you love them as a neighbor this week.

SMALL GROUP APPLICATION QUESTIONS

1. STUDY THE WORD

Read Luke 10:25-37. Mr. Rogers said, "Neighbors are people who live close to each other. Neighbors look at each other; they talk to each other; they listen to each other. That's how they get to know each other," and, "Neighbors are people who are close to us and close to our hearts." How does that definition compare to how you generally think about a neighbor? How does it compare to Jesus's definition?

2. ASSESS YOUR LIFE

The lawyer asked Jesus, "who is my neighbor?" Why is that the wrong question, and why is Jesus's question (Which of these three do you think proved to be a neighbor to the man?) a better question? Why is it important to Jesus that we love our neighbors?
