

Jesus is upset that the people spend so much time and energy understanding the things of this world, like the weather, but fail to give the same attention to understanding God's Word and the Messiah's coming. What are some modern parallels of this issue in the world and church today? In what ways do you fall into this trap? How does living like this equate to a denial of Jesus?

Jesus urges us to settle our sin debt with God before we reach the judgment. How can a person do this? What does Pastor Micah mean by "Keep short sin accounts." How are you doing this in your life, and why is it important for the disciple of Christ?
