

# WORSHIP THAT'S WORTH IT

March 15, 2026

Luke 13:10-17

## WORSHIP IS ABOUT LOOKING \_\_\_\_\_ RATHER THAN LOOKING \_\_\_\_\_.

I. Jesus heals and the people respond. – v. 10-17

\_\_\_\_\_ *meets us when we worship.*

II. When I make worship about \_\_\_\_\_, I miss God's \_\_\_\_\_.

When Worship Is About Me:

1. Rules Matter More Than \_\_\_\_\_.

2. Image Matters More than \_\_\_\_\_.

3. Expectations Matter More Than \_\_\_\_\_.

In the sermon, we saw how worship can slowly become centered on ourselves rather than on God. What are some ways people today can approach church, faith, and worship with a focus on preferences, expectations, or personal image? How have you struggled to focus on God and recognize what He was doing? The sermon mentioned how “a life that makes me bigger makes my worship smaller”. Where do you see this tension showing up in your life?

The sermon highlighted how seeing God more clearly changes our perspective, gratitude, and joy. Which of those do you most need God to grow in your life right now?

### 3. APPLY THE TRUTH

Luke shows two different responses to the work of Jesus. One focused on control and rules and then missed God's grace. The other saw what Jesus had done and responded with worship. What is one way you can intentionally “lift your eyes” to God this week instead of focusing on yourself?

# SMALL GROUP QUESTIONS

Worship That's Worth It – Luke 13:10-17

## 1. CONNECT TO THE TEXT

The synagogue ruler is upset that Jesus healed someone on the Sabbath. What do you think was motivating his response? The woman had lived with her brokenness for eighteen years but still continued to show up for worship. What does her persistence teach us about faithfulness in difficult seasons?

## 2. ASSESS YOUR LIFE

Read Luke 13:10-17. What stands out to you the most about the different responses in the passage (the woman, the ruler, and the crowd)? Why do you think the ruler struggled to recognize the grace and goodness of what Jesus had done? Which response do you find yourself most relating to right now? Why?

*A life that makes me \_\_\_\_\_ makes my worship \_\_\_\_\_.*

III. When I make worship about \_\_\_\_\_, I experience His \_\_\_\_\_.

When Worship Is About God:

1. His Glory Changes My \_\_\_\_\_.

2. His Glory Fills My Heart With \_\_\_\_\_.

3. His Glory Fills His People With \_\_\_\_\_.
