

Jesus says the shepherd goes after the lost sheep until he finds it. How does the reality that God always finds His lost children help you think about and approach sharing the Gospel with others? When the shepherd finds his lost sheep and has to carry it home, he is not angry or frustrated or disappointed – he is rejoicing. When God has to rescue you out of your sin once again, what expression do you imagine on His face? Why? If God rejoices over rescuing you from your sin, how does that change the way you approach your relationship with Him?

God rejoices not just because His lost child is found, but because they repent. What is the difference between confession and repentance? Why does God rejoice over repentance rather than mere confession or acts of righteousness? How does that change the way you view your experience of sin and repentance?

### 3. APPLY THE TRUTH

What do you need to repent of today? Do it now. Don't wait. God is ready to rejoice.
