

The King gave his servants each one mina to do business with until he returned. What do you think the mina represents and why? What does it look like for believers today to “engage in business” for the Kingdom? What ways are you currently doing this and what ways can you grow in this?

The King gave rewards and punishment to the servants based on their faithfulness. What does this parable teach us about rewards for our faithfulness in working for Jesus? How does Jesus’s explanation “to everyone who has, more will be given, but from the one who has not, even what he has will be taken away” impact you? When Christ returns what will you hear from Him in response to your work for the Kingdom?

3. APPLY THE TRUTH

My response to the Kingdom determines my standing before the King. If Jesus returned today, would you be satisfied with your standing before Him? If not, what needs to change in your life?
