Jesus holds the widow up as picture of extreme worship of God. Why did He say her 2 penny offering was more than all the wealthy people's offerings? When you give to God are you giving out of your abundance or are you giving sacrificially? Why? What does it practically look like to give all our money to God, but still be able to responsibly provide for ourselves and our family?

If Jesus measures our worship not based on how much we give, but rather than on how much we keep – How would He measure your worship and why? How much are you keeping from God and how might this need to change? Think about all parts of your life – Money, Time, Relationships, Work, Service, Sin, Family, etc...

3. APPLY THE TRUTH

Jesus wants all of your life, not just a portion of it. What are you holding back from God? What steps do you need to take to surrender all to Jesus?

SMALL GROUP QUESTIONS

1. CONNECT TO THE TEXT

ALL IT TAKES IS ALL YOU GOT! What does that phrase bring to your mind? Maybe a coach from your glory days? Maybe the endless hours of research or study to get that degree or pass that exam? Maybe just the daily grind pouring yourself out for your family? The new startup? Basic Training? Persevering through the disease? What is one of the hardest things you have ever had to do, and what did it require of you?

2. ASSESS YOUR LIFE

Read Luke 20:45-21:4. The scribes were exalted by the people, which made it tempting and easy to exalt themselves as well. When have you experience this? When has someone else's praise of you made you feel yourself too much? Which of the 5 Acts of Self-Worship that Jesus points out in the scribes do you see in your own heart and life? How do you need to repent of this self-worship before the Lord?
